Good Morning

It was great to see Career Advisers and VET Coordinators attend this year's Career Advisers' Day! We hope you had an enjoyable time and the information was of use to you and ultimately your students. We certainly were glad you were able to see our newest facilities and centres.

If you are interested in more information being passed on, don't forget you can book a school visit with us and we will be more than happy to come and present to your classes from Years 9 to 12.

It was great to see some familiar faces at the Science and Engineering Challenge recently and we look forward to seeing students back on campus for Year 10 Discovery Day.

Best of luck with the rest of the term,

CDU Schools Engagement Team

Save the Date

Sunset@CDU - July 30
Sunset@CDU is a unique opportunity for students to talk face-to-face with experts from their field of interest, in a relaxed environment, at dusk with light refreshments.

This year we invite all year 11 and 12 students and their parents to attend Sunset@CDU on Thursday, 30 July 2015.

Please visit our website to register and for more information.

Skills, Employment and Careers Expos - August

Come visit us at our CDU stand to get the latest information on courses and career opportunities we have to offer. This year we will also incorporate more interactive activities at our Darwin Expo, which means students will get to experience a more hands-on approach to learning about VET careers.

We will be at the following locations:

- Alice Springs, August 4-5
- Tennant Creek, August 7
- Katherine, August 10
- Darwin, August 11-12
- Nhulunbuy, August 14

To find the venues please visit the website.

CDU Open Day - Sunday August 23

CDU Open Day is our largest on-campus event and showcases our Casuarina campus in a fun atmosphere. It is a family-friendly, all ages event with free entertainment and lots of activities to get everyone excited about education.

There are workshops, tours and many expo stands to explore along with food and live entertainment. It’s an exciting way to learn more about the many courses on offer at CDU. Open Day will be on Sunday August 23 from 10am-2pm.

Good News Stories
VET in School Programs

The following VETSiS programs are now open for students to apply for Semester 2, 2015:

- Automotive ‘Skills Set’ Program
- Certificate I in Automotive Vocational Preparation
- Certificate II in Automotive Vocational Preparation

Visit our website for more information about the program and to complete the Expression of Interest form.

Career Advisers' Day Recap

We would like to thank all the NT career advisers and VET coordinators who attended our Career Advisers' Day last month. It was a fantastic day with a very positive vibe.

Career advisers and VET coordinators were able to take a tour of three new buildings; UniLodge, the Waterfront Business School centre and the Trades Training facilities.

If you attended our event please give us some feedback by completing the survey online so we can endeavour to put on a fantastic event for you again next year.

The Science and Engineering Challenge Recap

Well done to all the schools who participated in the Science and Engineering Challenge last week!

Congratulations to Darwin High School for coming in as the overall NT Winner. Congratulations also to Dripstone Middle School who won the Champion School title on Day 1.

This fun event saw 12 schools from the NT compete against each other in the name of science and engineering at CDU's Casuarina campus. We hope to see you all back again next year.
Book a School Visit with us

We have started visiting schools this year and are available for more information talks to students from Years 9-12 who are considering post-secondary education.

Presentations are tailored to meet the individual needs of different year levels and to suit your classroom timetable. We can also cater to individual sessions.

For more information or to book a visit please email us schoolsengagement@cdu.edu.au or fill out the form online.
