

CDU Pop-Up Sessions

Equipped with our 'Pop-Up stand', we will come to your school and chat with your students about everything CDU. Our 'Pop-Up Stand' can be set up outdoors and near student common areas, with the idea that students can drop by for a fun, informal chat at recess or lunchtime. We plan to pop in and out without impacting on you and your student's busy schedules.

This is a chance for students to find out more about:

- VET and Higher Education study and career options
- Applying to university and bridging courses
- Subject selections
- Pathway options
- Scholarships
- Student Exchange Program

We can do up to three sessions per school and we recommend sessions be spread out across several weeks to give different cohorts of students a chance to come and chat with us.
